TERMS—5% discount allowed on C.O.D. or cash with orders. Customers having established credit with us, 30 days net; 2% discount if paid before 10th of following month. Positively no discount allowed thereafter. Legal rate of interest will be charged on all accounts over 60 days.

DELIVERY — FREE DELIVERY to most points in Southern California. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use safest and cheapest method. Unless instructions are given we will use the method we think best.

PACKING—There is no charge on labor for packing; however, where packing is required, we do make a charge of 25c per hundred on all lining out stock and 5c apiece on gallon cans, 25c each for 5-gal. and balled field stock for actual cost of material used in packing.

NON-WARRANTY—We give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any nursery stock, trees or plants we sell, other than the original price of the stock at the date of sale.

THIS LIST CANCELS ALL PREVIOUS ISSUES—Prices subject to change without notice.

WE ARE A PINK TICKET NURSERY—It certifies that stock from which shipment is made has been found free of pests not of general distribution in Los Angeles County and is released for planting in said county without further inspection.

FILE FOR REFERENCE—July 1, 1942.

MEYER LEMON

Never plentiful in the market, this hot item is a popular money maker. The fruit is edible, like regular lemons, and the flowers very fragrant. Be sure your stock of Meyer Lemon is sufficient to take care of your "War Garden" customers.

We offer only the dwarf kind, grown on its own root. An ornamental of unquestioned merit.
